**\*Clearinghouse Phone Volunteers** provide the first contact from Love INC to those calling for help. We are looking for people who can communicate unconditional love as a caring, non-judging listener and interviewer. We need individuals who are able to work a regular 3 1/2 hour daytime shift one day a week on a Monday, Wednesday, or Friday. Training and support will be provided to those interested. When a person or family seeks help by calling the Love INC Clearinghouse, we match up volunteers from partner churches to meet certain needs, and connect with other local agencies to help with other needs.

**The Mission** of Love In the Name of Christ of Eastern Carver County is to mobilize the Church to transform lives and our community In the Name of Christ.
